General Report Comments: I did a door to door at the property and I saw 2 pit bulls on a small cage and I stopped by to speak to the owner of the dogs. Mr frank said that the two pit bull is his child, s dogs.
I told him that his son must the cage bigger because it hold two dogs and the way they are kept they will be aggressive and they will be a danger to the public.
I left the notice to comply for for bigger cage or running chain so that they can have a lot of movement. Will recheck after 7 days.
