CHECKLISTS

General Report Comments: Mr Liedeman informed me that Mr Jan Cilliers locked the dog inside the house without food and water. I walked right round the house and I could see a water bowl and a food bowl. Mr Liedeman later told me that Mr Jan Cilliers asked him to store some of his stuff at the back of the house but he later moved in the main house without his consent. I phoned Mr Jan Cilliers and he told me at first that he was at his lawyers office and later on I phoned him again and he informed me that the dog has water and food and he claimed that he was busy working in Durbanville. The Law Enforcement and SAPS was at the property but the doors were locked. I didn't see the dog.
