General Report Comments: I was met by Hannelie the owner of the property and I told her that I'm in possession of a warrant to remove the 2x dogs and 2x kittens on the property. Hannelie went to open the gate for me that leads to the back where the De Kok family is renting a flat. Gert De Kok opened the door and I told him that I'm in possession of a warrant and needs to remove these animals in his care as he can not look after them. Gert decided to surrender the 2x dogs and the 2x kittens and admitted that things are not going well financially. 1x black terrier x male,1 brown and black terrier x female and 2x DSH ginger kittens was surrendered to the Spca. Refer to admissions D5636,D5637,D5638,D5639. Nfa until further notice.
