General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain and I stopped by to speak to the owner of the dog and I asked the neighbors where is the owner and they told me that the owner of the dog is at work.
I explain to her about the running chain because the chain is tangled and the the dog cannot reach out to the water and shades. I left the notice to comply for the collar and the running chain for both dogs will recheck after 7 days.
