General Report Comments: I did a recheck today and I found that the owner of the dogs has not complied with the notice that was issued they didn't provide anything for the dogs except for water bowls they changed it and the bowls are bigger now.
I told the neighbors that they must tell her that she must contact me on my number so I can explain to her what is needed for her to do.
I left another notice for for collars on both dogs and running chain for both of them and to improve the body condition of the black dog. Will recheck after 4 days
