| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** Property not fenced |

General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a shelter and I stopped by to speak to the owner of the dog and I found that the owner of the dog has two dogs and one on the short chain with shelter.  
I asked why is the dog on the chain he said that the property is not fenced and he does not want to fight with the neighbors about the dogs.  
I issued him a notice to comply for running chain or make the chain longer and make a shelter for the tan one and make the rope longer will recheck after 7 days.
