General Report Comments: I did a recheck today and I found that the owner of the dog has not complied to the notice that was issued he didn't provide the dog with a shelter and a running chain.
On my previous notice I left my number that he must be in contact with me and he did call me and explain to me that the dog stay on the short chain with no shelter during the day at night he sleeps in the garage. I explain to him that even if he leaves the dog for few hours he needs to provide the dog with a shelter and a running chain so that the dog can have movement. Another notice to comply was issued and I left the notice to comply with the neighbors. Will recheck after 7 days.
