General Report Comments: I did a door to door at the property and I saw 1 pit bull on the long chain without a shelter and I stopped by to speak to the owner of the dog and I saw another one on the long chain with a shelter. I stopped by to speak to the owner of the dogs about the condition of the dogs and I asked her why are the dogs on chain and they said that the black one is aggressive and bites people in the street. I told her that they must provide the dog with a shelter within 7 days and she said she will tell her husband. I left the notice to comply for the shelter will recheck after 7 days.
