General Report Comments: Upon arrival, the gate was open and I entered the property. I called out for Athini, but it appeared as if he was not home.

The dog in questio was also no where to be found. I only say the other 2x dogs on the property.

A man (identified as Joseph) from next door, at the tuck shop approached me and advised that Athini left with the dog yesterday and advised him that he is taking the dog to the farm. Joseph does not know where this farm is.

I will come by later today to see if Athini has returned . I am off the opinion thay the dog is being concealed, as they likely only moved it to a farm hoping we would leave them alone.
