General Report Comments: Sam who is the brother of Athani the owner of the dogs let me on the property . I asked Sam to see the female Greyhound,he called her and she came to the front. According to the previous pictures I could clearly see that the dog has put on some weight. Sam also showed me the dewormer his brother has used. I told Sam that dogs should be dewormed after every 3 months. Water,food and shelter is available. Will recheck again after 3 weeks.
