General Report Comments: I saw one sick looking puppy in the street and I asked some kids who the owner of the dog was and they showed me the house. I went into the property and I observed the adult female dog and another puppy. I advised the owner to take the dogs to the vet and she informed me that she doesn't have money. I convinced her to surrender all three dogs and she agreed. Water and shelter observed. The living environment is clean. There is no animals left on the property
