General Report Comments: I was met by Mr Tieties the owner of the pitbull male. Mr. Tieties told me that he did what my colleague Jeffrey asked of him, the dog was dewormed and he has provided the dog with adequate dog food. Mr. Tieties went inside and brought the dog food out to show me. The pitbull male body condition needs improve. Mr. Tieties told me that he is using dip for the skin problem and showed me bottle with liquid inside that smells like dip. I told Mr. Tieties that I will come back after 2x weeks and by then we need to see improvement in body condition and skin condition. Will recheck.
