General Report Comments: I did a door to door at the property and I saw 1 dog on a long chain without a shelter and I stopped by to speak to the owner of the dog about the condition of the dog. I asked why is the dog not having a shelter and she showed me the old kennel that is broken and I said it is not acceptable because the weather is bad. She promised to make something for the dog until her husband is back from Capetown.
I left the notice to comply for the shelter and the water bowl must be removed from the sun and put it under the tree will recheck after 7 days
