General Report Comments: I saw the dog in the streets and she has soars on her face and skin problem. I asked someone in the street and I was shown the property where the dog belongs. I spoke to one Renier and I advised him to either seek vet treatment or to surrender the dog as the dog is suffering . He didn't want to surrender the dog in the first place but I could see that he himself can't take care of himself, I insisted that he surrender the dog and he finally signed the dog over. Water and shelter observed. There is no animals left on the property
