General Report Comments: Upon arrival, I was met and granted access to the property by Arnold Davids, the owner's brother in law.

I observed at the back of the property 2x black dogs kept on short static chains of approximately 2m long each.

The tan/black dog was roaming freely and run of the property when I arrived.

Mr. Davids could not answer any of my questions.

I proceeded to issue a warning (W5229) stating:

1. Place the dogs on ru ning chains, use the leaflet for guidance.

7 days were given for compliance.
