General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a shelter and collar. I stopped by to speak to the owner of the dog about the condition of the dog.
I asked her why is the dog on the chain because the property is fenced and she said to me that the dog escape to be on the street and I told her that they must provide the dog with a running chain and the shelter and the collar within 7 days.
I left the notice to comply for the collar and the running chain and shelter.
