General Report Comments: I was met by the owner and he gave me access to the property. I told him why I'm here and he took me to the back where I observed a brown female terrier x in a big enclosure. The dog has more than enough space to move around in the enclosure. The owner told me that the dog is only in the enclosure because she went into heat and he has 2x male dogs and does not want any puppies. The 2x male dogs are loose on the property. Dogs are all in acceptable conditions. Water, food and shelter is available. No welfare concerns noted. Nfa until further notice.
