General Report Comments: Upon arrival I saw 1x black pitbull x male in the front of the property, limping and the dogs head is also swollen. I did not see the other 2x dogs. I could see that the black dog was active in a dog fight. The owner was not at home. Law enforcement officer Adonis and I went to the owners place of work but he was not there. I then returned to the property and was met by a lady who told me that the owner is on his way home from Malmesbury. After almost half an hour the owner Mr. KG Egedo arrived. I contacted law enforcement officer Adonis again to conduct a inspection with me because there is 3x dogs on the property and according to the by laws they are only allowed 2x dogs on the property. I asked Mr. KG about the condition the black pitbull x is in and he told me that the 2x male dogs were fighting over the female. Mr. KG decided to surrender the 1x black pitbull male that is badly injured. I issued warning W5507 for the remaining 2x dogs on the property to be accessed by a veterinarian within 24 hours. Will follow up. Refer to admission D8393 for the 1x dog that was surrendered.
