General Report Comments: When I arrived both dogs were loose inside the property and Leanah informed me that her husband closed the hole on the fencing which the dogs were using to get out of the property. Water, food and shelter observed. The body condition of both dogs is fair and acceptable. The living environment is clean. The owner complied and provided the dog with a collar and Leanah informed me that they tie the dogs when they are going out. I am going back to the farm to do a mini mobile clinic on the 29th of February 2024
