General Report Comments: I did a recheck today and I found that the owner of the dog has not complied. I arrived at the property and Mrs Hill welcomed me to the property.
I told her I was there last week and she said she saw the notice that I issued and she told me that the dog was breaking up his hoki and I told her is not acceptable because it was raining yesterday and the dog was in the rain.
Mr Hill arrived at the property and I explain to him about the condition of the dog that they must provide a shelter even if the dog slept outside and he said he will build it. I left the notice to comply for the shelter will recheck after 7 days.
