General Report Comments: Upon arrival, I was met and granted access to the property by Jerome, as he met our meeting arrangements.

The area where the dog is kept is free from the rocks, they have moved it all to the side and the chain cant get stuck anymore.

I discussed with Jerome to install the 360 swivel chain, he is very keen and said he will see toneither install a runner or the swivel chain within the next 3 weeks.

I will follow up in 3-4 Weeks to see if this has been implemented.

The manner in which the dog is currently kept is acceptable, but I believe it can be improved, which the owner is now willing to do.
