General Report Comments: Clara Matthyse who is the owner of the dog let me onto the property where I observed 1x Jack russel xCorgi mix. The dog called Buddy is in good condition. Clara told that Buddy got out over the weekend and that there is a female dog roaming the area that is on heat,that's why Buddy ended up at the Harbour. According to Clara there were other male dogs and they started fighting and somebody kicked Buddy to stop the fighting. Clara told me that there is no one in her family that is abusing Buddy and it's only her granddaughter and she who stays on the property. Clara took me inside the house where I observed Buddy's food and water and he sleeps inside the house. I educated Clara about sterilization and referred her to the CVC vet for Buddy to be sterilized. No welfare concerns noted. Nfa until further notice.
