General Report Comments: I was accompanied by Swartland law enforcement to do an inspection at the small farmers because there was some cattle and pigs that have died. Upon arrival we saw the carcasses of 4x cattle and I told officer Hendriks that they must get a digger loader to bury the carcasses . We went around the camps and almost all of the pigs,goats and cattle are roaming freely on farm. Water,food and shelter was observed. Owners of the animals was not present on the farm. Will follow up.
