General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a collar. I stopped by to speak to the owner of the dog that it is not acceptable the way they chained the dog.
I asked him why is the dog on the chain he said the dog goes out of the property and they are worried that they might steal the dog. I left the notice to comply for the collar and the running chain within 7 days. And I also advise him to always have cleaned water for the dog..
