General Report Comments: I received the call from the after hours about the dog kept in a dirty environment and I responded to the call. I arrived at the property and and ms mykyla welcomed me to the property and I saw the dog.
Apon my inspection 2 police officers and a lady named ronel and 2 kids and 1 man and mykyla said to me the lady is the owner of the dog.
I spoke to her about the living conditions of the dog and I told her is not acceptable and she said end of March she will move out of that property because her boyfriend is running away from the police and she said she loves her dog very much she will do everything for the dog. I left the notice to comply for the cleaning of the area and provide water all the times. Will recheck after 3 days.
