General Report Comments: I went Frank Frandsen who complained about the neighbour that trapped his DLH cat with a 'slagyster'. I explained to Mr. Frank that they can lay charges of animal abuse under the Animals protection act and damage to property under the criminal procedures act. I explained to Mr. Frank what charges they can use in the Animals protection act, and also explained to him that they don't need the Spca to lay charges as any person can lay charges of animal abuse. Frank Frandsen understood and has already layer charges at Langebaan SAPS. Nfa until further notice.
