General Report Comments: I was met by Bronwyn Blaauw the owner of the dog in question. Bronwyn took me to see the dog. I saw 2x black pitbull x type of dogs loose on the property and 1x brown pitbull x on a long chain with a collar. Bronwyn told me that he has extended the chain but he can't install a runner because the dog is very aggressive and his afraid the dog might bite someone. Shelter and water is also available. Bronwyn told me that he has dewormed the dog and bought some puppy food to help the dog restore his weight. I told Bronwyn that I will do a recheck within 2x weeks to see if there is any improvement in the dogs weight. Will follow up.
