General Report Comments: Chinelle informed me that Doreen who is the owner of the Pitbul named Pandoh is making a plan to come and fetch her dog. There was a lady on the property who identified herself as Estelle Wadsworth and she informed me that she is an animal activist and she works with a Pitbul Rescue Center. She informed me that there was no way the SPCA was going to take that Pitbul even if the owner surrender the dog as she doesn't want the dog to be put to sleep. I went to the owner of the property Mr Andre Combrinck and he informed me that he gave Chinelle up until the end of March to leave the property as her dogs are causing problems among the neighbors. Chinelle informed me that the dog will be gone by the weekend and they are very adamant that they will rehome this dog. This dog has been at this property for a year but couldn't get a home.
