General Report Comments: JOINT INSPECTION WITH SWARTLAND LAW ENFORCEMENT, OFFICER ADONIS & HUMPFREYS AND THEIR TEAMS.

Upon arrival, we were met by Mr & Mrs's Willemse (farm workers). They gave me access to the property where I could observe the sheep.

The sheep are in a large camp, 1HA. They have access to food, grazing, water, adequate shelter. The sheltered structure had rubbish piled underneath, this must be cleaned. The sheep need to be sheared.

The 2x dogs observed are kept on short static chains and the worked was advised on how to erect runners.

Warning issued (W5237) stating:

1. Clean and hygienically maintain the shelter3d area;
2. Sheer the sheep;
3. Place the dogs on running chains, refer to provided leaflet.

7 days were given, 14 days were given for the sheering.
