General Report Comments: I saw 1x brown terrier x female in the street with mange. I asked around and some people in the street told me that the dog belongs to Mrs. D.Moses who resides at 49 Tinktinkie str. I went there but no one was at home and the gate was locked. I could not see into the property. I issued a warning to provide the brown terrier x female with treatment for the mange, and I also wrote on the warning what products is available for mange.
