General Report Comments: Mr Joao Martins adhered to the Notice to comply that I issued on my previous inspection. The dog is now on a long running chain and I observed a collar. There is water available for the dog. The living environment is clean. Mr Joao informed me that he doesn't believe in chaining the dog but because of his confrontation with his neighbor he now has to until he fix the fencing properly. The dog's body condition is fair and acceptable. There is shelter available for the dog
