General Report Comments: I saw 1x brindle female terrier x roaming the street. I asked a lady that was busy doing washing if she knew who this dog belongs to and she told me that the dog belongs to her neighbor, Mrs. David's. The female terrier x is underweight and also has a skin problem. I could not enter the property to see if the dog has shelter or water available. I issued a warning to seek vet treatment, because the dog is underweight and she also has a skin problem. Will follow up.
