General Report Comments: Upon arrival, I was met and granted access to the property by the owner, Lino Witbooi.

Lino showed me the material bought to install the runner. He is just waiting for swivels before installing the runner and placing the dog on it. The runner will be 5m long with an attaching 3m light chain.

The dog is currently still on the short chain, for the interim.

Lino advised that it will be done before friday. I will come around on friday to verify compliance.
