General Report Comments: Upon arrival, no one was home as there was no response to my presense.

I saw the dog placed on a runner of approxiamtely 5m long with an attaching 6m light chain. The dog has a hosepipe collar. The water bowl was placed inside a tyre to prevent it from tipping.

The owner complied with the warning initially issued.

I will do a routine check in a few weeks time to ensure continious compliance.
