General Report Comments: There was no people at home. I saw 1x brown pitbull x male on a running chain with a collar and 1x white and black wirehaired x on a short rope tied to the wire fence next to the house. The pitbull x male is underweight and looks like he might have tickbite fever. The wirehaired terrier x rope is to short and the dog don't have enough space to move around. Water and shelter was observed. I issued a warning to provide the pitbull x male with veterinary treatment and to untie the wirehaired terrier x within 72 hours. Will follow up.
