General Report Comments: Upon arrival, no one appeared to be home. The gate was open and I entered the property.

I saw Danger was placed on a 5m runner with a light chain and a suitbale collar. The area was clean. The dog had adequate shelter and provision for water. The sog appears to be in good condition.

I then proceeded to the pigeon coup, the coups appear to still be dirty. When I am in the area again next week I will discuss this with the owner.

The other dog, Spottie, is still on a runner. Spottie also now has a new fitted suitable collar.

The owner has complied with some extend of the warning issued, only the pigeon coups are still off concern.
