General Report Comments: Upon arrival, I was met and granted access to the property by Willene, the owner's wife.

Willene advised that her husband did not take the dog to the veterinarian, and just bathed the dog with tick shampoo. He told her that the dog has a pitbull condition, and many pitbulls get like this. Which is utter nonsense.

Willene gave me her husband, Mark, number: 0799254011.

Animals:
The pigeon loft has been broken down, the pigeons are no longer confined.

Danger is still on his runner, no APA contraventions.

Spottie is also still on the runner.

I will call Mark and discuss the POA regarsing Spottie.
