General Report Comments: Upon arrival, I was met and granted access by the owner's son, Aya. Aya is a minor, however, the owner did previously advised that when I come again that he gives permission for Aya to accompany me.

Aya took me to the back where I observed Ninja. They have installed the runner, 25m, amd also extended the chain, 20m. Ninja has not been placed on the runner yet, as they have not bought a swivel and will buy one over the weekend. Aya said by Tuesday that Ninja will then be on the runner.

I will come around Tuesday and verify final compliance.
