General Report Comments: Upon arrival, it appeared as if no one was home as there was no response to my presence.

I observed from the gate 1x dog, that is in excellent condition and showing no signs of having puppies (no hanging teats). The dog has a large roaming area, adequate shelter, clean living area, water. The dog does not have any health or veterinary concerns.

It appears as if the complainant gave us the wrong address. I will call the compl and confirm.
