General Report Comments: I was met by Mr. Cilliers the owner of the dogs on the property. We went through the enclosures and I could clearly see that my warning was adhered too. Fresh water and food in all the enclosures, no dog poo lying around. Dogs are all in acceptable conditions. The 1x dog that was bullied has been moved to another enclosure. I will go back to recheck on the enclosures that does not have kennels. Mr. Cilliers said that he is waiting for his friend who has a bakkie to transport the kennels from Paarl. Will follow up.
