General Report Comments: Dalinda let me on the property. Dalinda is the owner of the dogs friend. The enclosures are clean and fresh water and food was observed. Dalindan told me that the kennels haven't been collected in Paarl but what they have done in the meantime is to put shade cloth right around the enclosures that does not have shelter. Dogs are in acceptable conditions. Some of the dogs was loose on the property. No sick,injured or dead dogs was observed. Will do a recheck.
