CHECKLISTS

General Report Comments: I was met by Yasmine Dolly who is the daughter of the owner Mrs. Daniel's. I asked Yasmine if she has been to SAPS to to an affidavit because according to my knowledge she is the one who saw the person shoot the cat. Yasmine told me that SAPS was at their place but she has decided that she won't be doing an affidavit as she did not actually see the kids shoot the cat but saw them running away with an air rifle. Yasmine also told me that they are new in the area and that they don't want animosity with their neighbors. I told Yasmine that a case of animal abuse can be open but if she is not willing to do an affidavit the case won't get far. I also advised Yasmine that she can contact Swartland law enforcement and also report the incident to them because I don't think you are allowed to use a air rifle in a residential area,by doing that Law Enforcement will then also have a history if something like this would to happen again. Nfa until further notice.
