CHECKLISTS

General Report Comments: Peter let me on the property. The black dog was no longer in the enclosure but the enclosure has been cleaned. I asked Peter where the dog is and he told me that someone came to fetch the dog after I left the warning. Peter said that the person told him that he is going to take the dog to someone to treat the flybite wounds on the dogs eats. I asked Peter if the dog is coming back and Peter told me yes they said they will bring the dog back. Will follow up.
