General Report Comments: I did a door to door at the property and I saw 2 dogs on chains and I stopped by to speak to the owner of the dogs. I arrived at the property and no one was at home.
I left the notice to comply that they must remove the dogs from the chains because the property is fenced well and they can't escape. At the back of the property there was a lot of barking which means the are other dogs on the property that I did not see. Will recheck after 7 days.
