General Report Comments: I did a door to door at the property and I saw 2 dogs on the property scratching bad and I stopped by to speak to the owner of the dogs. I arrived at the property and wade welcomed me and I asked him what are using to treat the dogs from the mange and he said they are doing nothing but he will ask his parents to help the dogs.
Later on the day Mr Gallant called me to find out where can he get help I advise him to take the dogs to Saldanha animals hospital and he said he will get something for the dogs I also told him not to throw away the product he is going to buy at the vet. Will recheck after 7 days.
