General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I called Corne and asked him what is going on as the dog's skin should have been better by now. He said that he apparently bought the wrong one and that he is currently at the Petshop as we speak and that he is there now to buy the Trio one. I asked he to send me proof of purchase, which he did over whatsapp, see attached photo.

I will come around again in 3 weeks time.
