General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I saw the dog from the gate and the dog's skin has healed completely. All the hair has grown back and there is no more dry areas.

I called the owner and he advised that he is buying Simparica monthly and will continue doing this as he can see the affect it has.

I am happy to close this case.

No APA contraventions observed
