General Report Comments: Ruvano was not at home and I spoke to Disha after I saw the female Pitbul named Cloud. The dog is on a long static chain with a collar and the dog is thin. Disharmony informed me that the dog just had puppies last week and killed all seven of them. I observed water and shelter. The other dog named Meisikant is running loose and her body condition is fair and acceptable. The living environment is clean. I issued a Notice to comply advising Ruvano to improve Cloud's body condition
