General Report Comments: There was no people at home. I saw 1x white Husky x dog tied with a rope. The dog is tied to a car and was lying underneath the car so I could not see if it is a male or female. Water was observed. The dog's body condition appeared to be acceptable. I did not observe any shelter for the dog. I issued a warning to provide the dog with shelter and to put the dog on a running chain because the rope the dog is tied with is too short.
