**CHECKLISTS**

General Report Comments: Someone stopped me in the street and told me that I must go to 40 Flamink street because there is 2x dogs on the property on short chains. The person also gave a description of the 2x dogs. I went to the property but there was no people at home,so I did not see the dogs but I could hear them bark at the back of the property. I went to the neighbors house to ask if I can get onto their property to see the dogs but there was jo one at home. I issued a warning to put both dogs on running chains. Will follow up.
